WEAPON MAKING SUPPLIES;

- **Graphite material** golf clubs - *must be graphite and you can find them at Goodwill for a few bucks
- Bamboo or Rigid PVC tubing
- Lots of duct tape - feel free to buy designer and colored tape (*Bring 1-2 extra rolls!)
- Pool noodles/Pipe Foam/Camp Foam (\$1 at Dollar Store! Bring extra!)
- Panty Hose - holds everything in place even for weapons!
- Anything else you need to decorate your weapon (marker, stickers, etc)

All weapons must be inspected by an MMOG inspector prior to any use - no exceptions - we'd like you to have a fun experience so let's be safe.

*We want you to prepare and pre-make weapons (swords & shields) ahead of time, even make some cool armor!! But, you need to know the basics first! For battle ready weapons/shields; You **can not** have any exposed hard material (plastic, wood, metal)! All fighting surfaces must be covered in some time of foam.

**Body Armor; Any material can be used, yes even meta, to make homemade armor! Or, store bought costumes are fine too!
